BOATING IN RIVERS

Type of boat	When can we go?
motor	TEMPORARILY SUSPENDED: Source — Escatrón
	ALLOWED: Flix — Tortosa
non-motor	ALLOWED THROUGHOUT ALL THE EBRO AND ITS TRIBUTARIES

- * If the presence of zebra mussel or its larvae is detected in any of the unaffected reservoirs, this reservoir will then immediately be classified as **TYPE C**.
- ** **SINGLE AUTHORISATION (TYPE 1):** an authorisation for a reservoir according to the type of boat. It is possible to use this permit in more than one reservoir.
- *** **RESERVOIR AUTHORISATION (TYPES 2 AND 3):** an authorisation permitting boating in all reservoirs.

**** **EXCLUSIVE AUTHORISATION (TYPES C AND P):** the boat can only be used in the reservoir designated. If you expressly renounce your authorisation, you will be able to apply for another in a different reservoir.

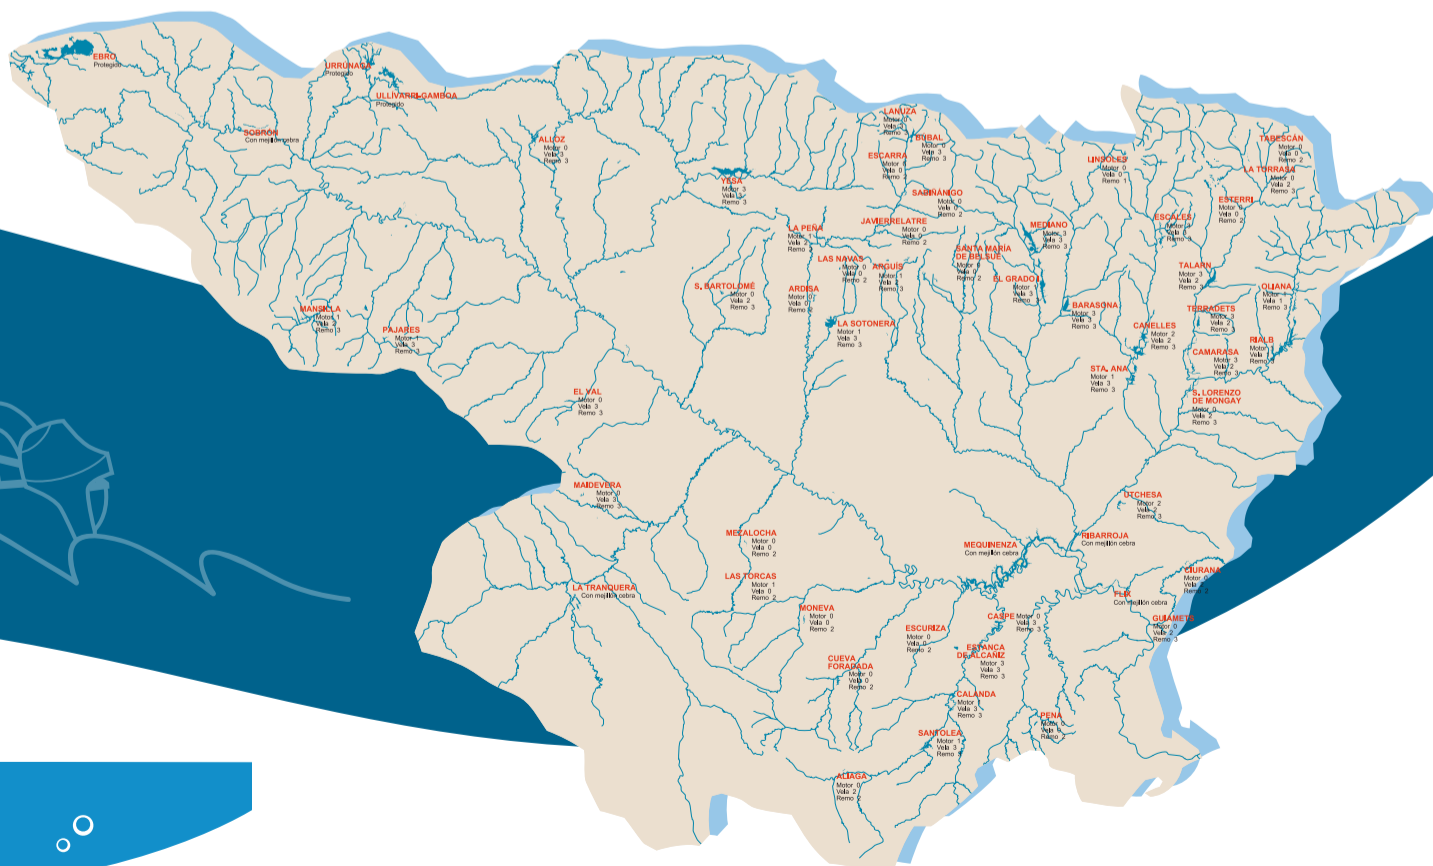

TO APPLY FOR THESE AUTHORISATIONS, CONSULT THE INSTRUCTIONS AND COMPLETE THE APPLICATION FORM APPEARING ON THE CHEWEB SITE (www.chebro.es) OR ASK FOR INFORMATION FROM THE HEADQUARTERS OF THE CONFEDERATION.

The navigation rules apply to all those using the waters of the Ebro Basin, except for Rescue, Military Craft, Security and Scientific studies.

ALL VESSELS MUST COMPLY WITH THE DISINFECTION PROTOCOL AT ALL TIMES
